NOTES:

1. The Ministry of Corporate Affairs (MCA) vide its General Circular No. 09/2024 dated 19th September 2024 in furtherance to its earlier circulars issued in this regard has permitted companies, whose Annual General Meetings (AGM) are due to be conducted on or before 30th September 2025, to hold their AGMs through Video Conferencing ('VC')/Other Audio Visual Means ('OAVM') not requiring the physical presence of the Members at a common venue. Hence, the 41st AGM of the Company is being conducted through VC/OVAM in compliance with the provisions of the Companies Act, 2013 (Act), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and applicable circulars issued in this regard. Members are requested to attend and participate in the ensuing AGM through VC/OAVM facility being provided by the Company through Kfin Technologies Limited ("Kfin"). Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum for the meeting under section 103 of the Act. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item Nos. 3 to 7 of the Notice set out above, is annexed hereto.
2. In accordance with the aforesaid MCA Circular(s) and Circular Nos SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 and other earlier related circulars issued by Securities Exchange Board of India (collectively referred to as "SEBI Circulars"), the Notice of the AGM along with the Annual Report for FY 2024-25 is being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories". Additionally, in accordance with Regulation 36(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is also sending a letter to shareholders whose e-mail addresses are not registered with Company/Depositories/Registrar providing the web link of Company's website from where the Annual Report for the FY 2024-25 can be accessed.

Members may note that the Notice and Annual Report 2024-25 will also be available on the Company's website <https://anjaniment.com/>, website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of the Company's Registrar and Transfer Agent ("RTA"), KFin Technologies Limited at www.evoting.kfintech.com. However, if any specific request is received from any member demanding the physical copy of the Annual Report, the same will be provided by the Company.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy(ies) by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of AGM are not annexed to this Notice.
4. Institutional shareholders/corporate shareholders (i.e. other than individuals, HUFs, NRIs, etc.) are required to send a scanned copy (PDF/JPG Format) of their respective Board or governing body Resolution/Authorization etc., authorizing their representative to attend the AGM through VC/OAVM on their behalf and to vote either through remote e-voting or during the AGM. The said Resolution/

41st Annual Report 2024 - 25

Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to dhr300@gmail.com with a copy marked to secretarial@anjanacement.com. Institutional shareholders (i.e. other than individuals, HUFs, NRIs etc.) can also upload their Board Resolution/Power of Attorney/Authority Letter, etc. by clicking on "Upload Board Resolution/Authority Letter" displayed under "e-Voting" tab in their login.

5. This 41st AGM has been convened through VC/OAVM in compliance with applicable provisions of the Act read with MCA Circulars issued by MCA from time to time.
6. **Attendance at the AGM:** Members will be provided with a facility to attend the AGM through VC/OAVM provided by KFin Technologies Limited. Members may access the same at <https://evoting.kfintech.com> by clicking "e-AGM-Video Conference & Streaming" and access the shareholders'/members' login by using the remote e-voting credentials which shall be provided as per Note No.15 below. Kindly refer to Note No.14 below for detailed instructions for participating in AGM through VC.
7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. As per MCA Circulars, the facility for joining the AGM through VC/OAVM shall be made available for 1000 members on a first come first served basis. However, this number does not include the large Shareholders holding 2% or more share capital, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, Secretarial Auditors, Scrutinizers, etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
9. **Remote e-voting:** Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI Listing Regulations and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect to business to be transacted at the AGM. For this purpose, the Company has appointed KFin Technologies Limited for facilitating voting through electronic means, and as an independent agency for providing necessary platform for VC/OAVM and necessary technical support as may be required. Therefore, the facility of casting votes by a member using remote e-voting system as well as e-voting on the day of the AGM will be provided by KFin Technologies Limited.
10. **Voting during the AGM:** Members joining the meeting through VC/OAVM, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC/OAVM but shall not be entitled to cast their vote again.
11. The Company has fixed Thursday, September 18, 2025 as the cut-off date for identifying the Members who shall be eligible to vote through remote e-voting facility or for participation and voting in the AGM. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date shall be entitled to vote on the resolutions through the facility of remote e-voting or participate and vote in the AGM. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company as on the cut-off date will be entitled to vote during the AGM.
12. **Procedure for registering the email addresses and obtaining the Annual Report, AGM notice and e-voting instructions by the shareholders whose email addresses are not registered with the Depositories (in case of shareholders holding shares in Demat form) or with RTA (in case the shareholders holding shares in physical form).**
 - i. Those members who have not yet registered their email addresses are requested to get their email addresses registered by following the procedure given below:
 - a. Members holding shares in demat form can get their e-mail ID registered by contacting their respective Depository Participant.

Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to KFIN Technologies Limited in case the shares are held in physical form, quoting their folio number.

27. SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/131 dated July 31, 2023, and SEBI/HO/OIAE/ OIAE_IAD-1/P/CIR/2023/135 dated August 4, 2023, read with Master Circular No. SEBI/HO/ OIAE/OIAE_IAD-1/P/ CIR/2023/145 dated July 31, 2023 (updated as on August 11, 2023), has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market. Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website <https://anjanacement.com/InvestorQuerySection.html>
28. In terms of SEBI circular SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated 2 July, 2025, a special window for re-lodgment of transfer deeds which were lodged prior to 1st April 2019 and rejected/ returned/ not attended due to deficiency in documents/process/ or otherwise is provided to investors by the Company from 7 July, 2025 till 6 January, 2026. The securities that are re-lodged for transfer as mentioned above, if in order, will be issued in demat mode only. Investors may write to the Company or RTA in this regard.
29. Members who wish to claim dividends, which remain unclaimed, are requested to do correspondence either with the Company Secretary or the Company's RTA for encashing them before the due date. In accordance with the provisions of Sections 124 and 125 of the Companies Act, 2013 ("the Act") read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividends not encashed/claimed within seven years from the date of transfer to the Unclaimed Dividend Account of the Company is liable to be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, according to the Act read with the IEPF Rules, all the shares on which dividend remains unclaimed for seven consecutive years or more are required to be transferred to the IEPF. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.

In compliance with the aforesaid requirements, during the financial year 2024-25, the Company has transferred Rs.7,38,090 unpaid / unclaimed final dividends pertaining to the financial year 2016-17 to the IEPF. Further, the Company has also transferred 33,366 corresponding equity shares which were liable to be transferred in favour of IEPF Authority in the prescribed manner.

Please note that the unpaid/unclaimed final dividend for the financial year 2017-18 shall become due for transfer to IEPF on October 13, 2025 upon completion of seven years in terms of section 124(6) of the Act. The corresponding shares shall be transferred to relevant Demat Account of the IEPF Authority as per Rule 6 of the IEPF Rules, 2016, as amended. Members are thus requested to claim the unclaimed dividend by sending a written application to KFin Technologies Limited or to the Company's Registered Office address along with (a) copy of PAN Card; (b) a cancelled cheque of your registered bank account; and (c) the original un-encashed Dividend warrant or a duly filled in indemnity letter in the format available on the website of the Company www.anjanacement.com. The said application should reach the Company on or before September 12, 2025 so as to enable us to submit your request to the bankers for transfer by NEFT or issuance of Demand Draft.

In case no claim is received with respect to the above dividend, the shares (whether held in physical or electronic form) will be transferred by the Company to the Demat Account of the IEPF Authority. In accordance with the aforesaid IEPF Rules, as amended, the Company had sent notices to all the Members whose shares were due to be transferred to IEPF requesting them to comply with the requirements to claim back the Dividends and avoid transfer of shares and had simultaneously published newspaper advertisement for the same.

Pursuant to communication dated 16th July 2025 from IEPFA under MCA, the company had launched the 100 days Campaign -"Saksham Niveshak", to reach out to shareholders whose dividend remain unpaid/unclaimed whereby the Company facilitates the shareholders to claim unpaid / unclaimed dividend by updating their details with RTA / Company before the said dividends get transferred to Investor Education and Protection Fund ("IEPF"). The campaign is from 28th July 2025 till 6th November 2025. The eligible shareholders are requested to kindly update their KYC details on or before 6th November 2025 to get benefitted.

The Members whose unclaimed dividends and/or shares have been transferred to the IEPF, may contact the Company or KFIN Technologies Limited and are requested to follow the below process:

1. Submit self-attested copies of documents provided in IEPF 5 help kit, which is available on IEPF website (www.iepf.gov.in) to the Company / Registrar and Share Transfer Agent (RTA).
2. After verification of the aforesaid documents submitted, Company will issue an entitlement letter.

3. File Form IEPF-5 on IEPF website and send self-attested copies of IEPF-5 form along with the acknowledgement (SRN), Indemnity bond and entitlement letter to Company.
4. On receipt of the physical documents mentioned above, Company will submit e-Verification report, for further processing by the IEPF Authority.

In terms of Section 124 and 125 of the Act read with the IEPF Rules, the Company has transferred the unpaid / unclaimed final dividend declared up to the financial year 2016-17 to the IEPF established by the Central Government.

The following table provides information about outstanding dividend and their respective date of transfer to the IEPF.

30. SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2021/655 dated November 3, 2021 (subsequently amended by Circular Nos. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/687 dated December 14, 2021, SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 March 16, 2023 and SEBI/HO/MIRSD/POD-1/P/CIR/2023/181 November 17, 2023) has mandated that with effect from April 1, 2024, dividend to security holders (holding securities in physical form), shall be paid only through electronic mode. Such payment shall be made only after furnishing the PAN, choice of nomination, contact details including mobile number, bank account details and specimen signature.

Pursuant to Finance Act 2020, dividend income if any declared by the Company will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company shall be required to deduct tax at source from dividend paid to members at rates prescribed in the Income-Tax Act, 1961 (the IT Act). For the prescribed rates for various categories, the members are requested to refer to the IT Act and Finance Act, 2020 and amendments thereof. The members are requested to update their residential status, PAN with the Depository Participants (DPs) (if shares held in dematerialized form) and the Company/KFin Technologies Limited (if shares are held in physical form).

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Shareholders having valid PAN	10% or as notified by the Government of India
Shareholders not having PAN / valid PAN	20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them does not exceed ₹10,000 and also in cases where members provide Form 15G / Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013 AND SEBI LISTING REGULATIONS

As required by Section 102 of the Companies Act, 2013, the following Explanatory Statement sets out all material facts relating to the business mentioned under Item Nos. 3 to 7 of the accompanying Notice dated August 12, 2025.

Item No.3

Pursuant to provisions of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time, the Company is required to have an audit of its cost records conducted by a cost accountant in practice for products covered under the Companies (Cost Records and Audit) Rules, 2014.

The Board of Directors of the Company at their meeting held on August 12, 2025, based on the recommendation of the Audit Committee, has approved the appointment of M/s. Narasimha Murthy & Co, Cost Accountants (Firm Registration Number: 000042), as the Cost Auditors of the Company to conduct the audit of cost records maintained by the Company, for the financial year ending 31st March, 2026, at a remuneration of ₹2,25,000/- (Rupees Two Lakhs Twenty Five Thousand only) plus applicable taxes and out-of-pocket expenses at actuals, if any, incurred in connection with the audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors, as recommended by the Audit Committee and approved by the Board of Directors, is required to be ratified by the Members of the Company. Accordingly, the consent of the Members is sought for passing an Ordinary Resolution as set out in Item No.3 of the Notice for ratification of the remuneration payable to the Cost Auditors, for the financial year ending 31st March, 2026.

The Board, recommends the resolution as set out at Item No. 3 of this Notice for approval of the Members of the Company by way of an Ordinary Resolution.

None of the Directors / Key Managerial Personnel(s) of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Item No.4

The provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 mandate that every listed company and certain other prescribed categories of companies shall annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's Report, prepared under Section 134(3) of the Companies Act, 2013. Additionally, Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') requires listed entities to undertake Secretarial Audit by peer reviewed Secretarial Auditors.

SEBI vide its notification dated December 12, 2024 has made several changes in SEBI Listing Regulations. Recent amendments to Regulation 24A of SEBI Listing Regulations, effective from April 1, 2025, inter alia requires that the appointment of Secretarial Auditor shall be for a term of five (5) consecutive years and shall, on the recommendation of the Board, be approved by shareholders at the Annual General Meeting.

In compliance with these provisions, on the recommendation of the Audit Committee, the Board of Directors at its meeting held on August 12, 2025, has approved the appointment of M/s. D. Hanumanta Raju & Co., Practicing Company Secretaries (Unique Identification No. P1990AP015500) (Peer review Certificate No.6326/2024) as the Secretarial Auditors of the Company for a period of five (5) consecutive years, commencing from April 1, 2025 to March 31, 2030 subject to approval of the Members at the ensuing Annual General Meeting.

M/s. D. Hanumanta Raju & Co., is a renowned and well-established firm based out of Hyderabad, established in the year 1990 which is backed by professional pursuit. It has a unique blend of academic excellence, immense experience and infusion of knowledge and dynamism through its partners. It offers a wide range of legal and secretarial professional services.

In terms of the provisions of the Act and SEBI Listing Regulations, M/s. D. Hanumanta Raju & Co., has provided its consent to act as the Secretarial Auditors of the Company and has confirmed that the proposed appointment, if made, will be in compliance with the provisions of the Act and the SEBI Listing Regulations. In terms of the SEBI Listing Regulations, M/s. D. Hanumanta Raju & Co., produced a valid peer review certificate issued by the Peer Review Board of the Institute of Company Secretaries of India. M/s. D. Hanumanta Raju & Co., has confirmed that they are not disqualified from being appointed as Secretarial Auditors the Company in terms of the provisions of the Act and SEBI Listing Regulations.

Accordingly, approval of the shareholders is sought for appointment of M/s. D. Hanumanta Raju & Co., as the Secretarial Auditors of the Company.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the accompanying Notice for approval by the Members.

None of the Directors / Key Managerial Personnel(s) of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Item No.5 to 7

Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), *inter alia*, states that all Material Related Party Transactions ('RPTs') shall require prior approval of the Members by means of an Ordinary Resolution, even if such transaction(s) are in the ordinary course of business and at arm's length pricing basis. A transaction with Related Party shall be considered as material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ₹1,000 crore or 10% of annual consolidated turnover of a listed entity as per the last audited financial statements of the listed entity, whichever is lower.

Further, Regulation 2(1)(zb) of the SEBI Listing Regulations has provided the definition of related party and Regulation 2(1)(zc) of the SEBI Listing Regulations has defined related party transaction to include a transaction involving transfer of resources, services or obligation between (i) a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand; or (ii) a listed entity or any of its subsidiaries on one hand and any other person or entity on the other hand, the purpose and effect of which is to benefit a related party of the listed entity or any of its subsidiaries, regardless of whether a price is charged or not.

It is in the above context that Resolution Nos. 5 to 7 are placed for approval of the Members of the Company.

The Management has provided the Audit Committee with relevant details of the proposed RPTs, including material terms and basis of pricing. The Audit Committee, after reviewing all necessary information, has granted its approval for entering into the below mentioned RPTs, subject to approval by the Members at the ensuing Annual General Meeting. The Audit Committee has noted that the said transaction(s) will be at arm's length pricing basis and will be in ordinary course of business of the Company.

FINANCIAL AND OPERATIONAL PERFORMANCE

Financial Performance

a) Revenue from operations

The revenue from operations of the company for the financial year 2024-25 stood at ₹37,344 lakhs as against ₹47,687 lakhs in the previous financial year, a reduction of 22% over the previous financial year. The financial year 2024-25 witnessed a very sluggish demand of cement and drop in realizations due to multiple external factors like surplus supplies, impact of state and general elections, erratic weather conditions and competitive landscape in the cement industry, non-availability of sand and other factors. The company has taken various steps to improve its marketing and logistics strategies for higher market penetration and for increasing revenue realizations.

b) Other Income

Other Income of the company increased to ₹109 lakhs in the financial year 2024-25 as against ₹33 lakhs in the previous financial year. The increase in the Other Income during the financial year was on account of review and write back of long carried forward unclaimed liabilities and also due to increase in interest on margin money deposits with bank.

c) Cost of material consumed

The cost of raw materials consumed decreased to ₹3,584 lakhs in financial year 2024-25 from ₹4,455 lakhs in the previous financial year mainly due to decrease in volume of cement production.

d) Employee benefits expenses

The employee benefits expenses for the financial year 2024-25 stood at ₹2,252 lakhs as against ₹2,248 lakhs in the previous financial year. Employee benefit expenses accounted for 6.03% of revenue from operations in the financial year 2024-25 as against 4.71% in the previous financial year, an increase by 1.32% mainly due to lower revenue in the financial year 2024-25.

e) Finance Costs

Finance costs for the financial year 2024-25 stood at ₹2,766 lakhs as against ₹2,709 lakhs in the previous financial year. The increase in finance cost was mainly due to higher utilization of cash credit facilities and also due to increase in inter corporate deposits.

f) Depreciation and amortisation expenses

Depreciation and amortization expenses decreased by ₹86 lakhs to ₹1,584 lakhs in the financial year 2024-25 from ₹1,670 lakhs in the financial year 2023-24 mainly due to completion of useful life of certain assets during the financial year 2024-25.

g) Power & Fuel

The Power & Fuel cost of the Company for the financial year 2024-25 stood at ₹11,645 lakhs as against ₹16,797 lakhs in the previous financial year, a reduction of ₹5,152 lakhs, primarily on account of lower production in the current financial year and also on account of marginal decrease in the average coal prices in the current financial year as compared to previous financial year as well as savings due to power efficiency. Power and fuel cost accounted for 31.18% of revenue from operations in the financial year 2024-25 as against 35.22% in the financial year 2023-24.

h) Freight and Forwarding Charges

Freight and forwarding expense of the Company for the financial year 2024-25 stood at ₹7,109 lakhs as against ₹8,358 lakhs in the previous financial year, a reduction of 15% over the previous year, primarily on account of reduction in sales volume. Freight and forwarding expense on finished goods accounted for 19.04% of revenue from operations in the financial year 2024-25 as against 17.53% in the financial year 2023-24.

i) Operating Profit

The company has incurred an operating loss of ₹307 lakhs in the financial year 2024-25 as compared to operating profit of ₹2,528 lakhs in the previous financial year. The loss was primarily on account of significant drop in sales volume as well as due to lower realization on sales due to sluggish market conditions and stiff competition.

Operational Performance

Cement

Particulars (in MT per annum except figures in %)	FY 2024-25	FY 2023-24
Installed Cement Capacity	11,60,000	11,60,000
Utilization Level	61%	73%
Cement Production	7,05,239	8,51,516
Cement Sales Volume	9,99,823*	11,05,846**

*Including 2,83,291 MT of traded cement

**Including 2,54,858 MT of traded cement

As evident from the above table, during the year, the cement production decreased as compared to previous year and the sales volume of cement decreased by 9.59% due to sluggish market conditions and stiff competition.

Captive Power Plant

Power Generation / Consumption/ Export details for Financial Year 2024-25

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC SCENARIO AND OUTLOOK

Global Economy:

In the year 2024, the global economy proved resilient, achieving a growth rate of 3.3% despite challenges from geopolitical conflicts, trade tensions and shift in monetary policy. The consistent pace amid numerous obstacles highlights the remarkable persistence of global economies. According to expert predictions, global economic growth for 2025 is projected to be around 2.8% following tariff measures being announced by the United States and countermeasures taken by its trading partners. Global economic growth is expected to recover to 3% in 2026. The United States and the Euro Area are expected to grow at 1.8% and 0.8% respectively. The emerging markets while impacted by the tariff shocks continue to be the growth drivers and are expected to grow by 3.7% in 2025 and 3.9% in 2026.

Indian Economy:

The India economy maintained its momentum and emerged as one of the fastest-growing major economies amid a complex global landscape and achieved GDP growth of 6.5% in FY2024-25. This resilience was primarily driven by robust macroeconomic fundamentals, strong domestic demand, and continued policy focus on structural reforms. The Government of India continues to undertake steps to accelerate growth, invigorate private sector investments, uplift household sentiments and enhance the spending power of India's rising middle class. According to expert predictions, the Indian economy is expected to grow by 6.5% in FY2025-26 driven by robust domestic demand, rise in urban and private consumption, healthy agriculture production, improved infrastructure development, and key reforms. However, trade limitations along with global geopolitical friction pose possible risk to the economic outlook.

INDUSTRY OVERVIEW

India is the second-largest producer of cement in the world. It accounts for more than 8% of the global installed capacity. India has potentially rich deposits of limestones in different regions of the country essentially suitable for cement production. India has a lot of potential for development in the infrastructure and construction sector and the cement sector is expected to largely benefit from it. Furthermore, on the back of rising rural housing demand, the consumption of cement in India has been growing consistently as it is one of the cheapest products to buy in terms of ₹/kg. Strong expansion of the industrial sector is one of the main demand drivers for the cement industry. As a result, there is a strong potential for an increase in the long-term demand for the cement industry. However, the per capita consumption of Cement in India is significantly lower than the global average, at between 250 kg and 270 kg per person, compared to 500 kg and 550 kg per person globally.

The demand for cement in India is expected to grow at a sturdy pace supported by government-led spending on infrastructure and housing. The Indian government is firmly focused on infrastructure development to spur economic growth and is striving for full infrastructure coverage to establish smart cities. The government plans to increase the capacity of railways and the facilities for handling and storage to enable the transfer of cement and cut out on transportation costs. These measures are expected to result in increased construction activity in the country, thereby boosting demand for cement.

According to expert predictions, the overall cement industry in the country is likely to add 150-160 million tonnes of capacity in five years. In the last five years, cement-makers have added close to 120 million tonnes of capacity, taking the country's total to around 600 million tonnes. More consolidation is on the cards for the cement sector. In 2023, the market size of India's cement industry reached 0.4 billion tonnes and is expected to touch 0.6 billion tonnes by 2032, exhibiting a CAGR of 4.7% during 2024-32. India has a high quantity and quality of limestone deposits throughout the country, the cement industry promises huge potential for growth. India's cement production reached 426.29 million tonnes in FY24, a growth rate of 8.90% year-on-year (yoy). India's cement production for FY25 is expected to grow by 7-8% driven by infrastructure-led investment and mass residential projects.

PERFORMANCE REVIEW

Operational Performance:

Cement

At present, our installed annual cement manufacturing capacity is 11,60,000 MT. In the financial year 2024-25 our annual production was 7,05,239 MT of cement, constituting an annual capacity utilisation of 61%. This is in line with the industry average capacity utilisation of 70%. Further, the cement industry average capacity utilisation is projected to increase to 75% over the next five years with the activities on development of infrastructure coupled with government-led spending on infrastructure and housing.

The Company is consistently enhancing its operational efficiency through various measures. During the financial year 2024-25, the following measures were taken to improve the operational efficiency:

- Increased kilns production by optimizing kiln operations & Raw mix.
- Debottlenecking of equipments to increase production capacity.
- Decreased equipment break downs and increased equipment availability.

Further the Company is constantly looking for improving its utilization of alternative fuel resources. This will not only improve the cost efficiency of our production but also contribute to the green environment by reducing the utilization of coal.

The below table sets forth the current installed cement capacity, utilization level and production of our Cement plant's production unit and Cement sales volume for the periods indicated.

BUSINESS REVIEW

Sustainable Development:

Sustainability is a core element of our business strategy, with a focus on conservation of environment, natural resources and energy efficiency. Its initiatives include reducing the clinker factor, lowering energy intensity, and incorporating waste from other industries into its cement manufacturing process. The Company's plant is ISO 14001 certified, validating its commitment to sustainability. Furthermore, through focused interventions across areas such as healthcare, education, employment, and sustainable livelihoods in areas around its operations, the Company positively impacts the lives of thousands of people.

a. Energy Conservation

Energy conservation is at the extreme focus of the Company and has seen numerous innovations and initiatives over the years ranging from shop-floor experiments to capex. This has yielded multiple benefits including reduction in carbon intensity and rationalization of production costs. More details on initiatives taken in the area of energy conservation are given in **Annexure 3** to this Annual Report.

b. Alternative Fuels and Raw Materials

Company is constantly working on to increase usage of alternative raw materials and fuels in its operations. Company uses wastes of various industries such as Pharma, Chemical, Sponge Iron, fertilizer, thermal power plant and others as alternative raw materials and alternative fuels. The pharmaceutical waste is used to substitute coal for thermal energy requirement in our Cement Plant. This solvent waste is available to us at zero landing cost to our manufacturing facility. Currently, we procure these solvents from pharmaceutical companies located in and around Hyderabad and Visakhapatnam. Pharmaceutical waste like spent carbon, spent organic liquid and spent organic solid can be substituted in place of coal, to reduce carbon-di-oxide emissions and also reduce cost of production. These measures have helped the Company to maintain its thermal substitution rate at 9.65% in financial year 2024-25 which is at par with Industry Standards. The Company also uses alternative raw materials in place of laterite and Iron ore. Company’s share of alternate raw material consumption in total raw material consumption stood at 13.73% in financial year 2024-25.

c. Green Products

The Company has been producing blended cement in the category of Portland Pozzolana Cement (PPC) and Composite Cement (CC) conforming strictly to the specified BIS norms. Blended cement contributes to sustainable design by making concrete stronger and durable, reducing consumption of natural resources such as limestone, lowering greenhouse gas emissions, and contributes to a circular economy by utilizing wastes from power, iron and steel plants. Use of blended cement also has cost benefits for Company’s customers. The share of blended cement in total cement production is 32.6% in financial year 2024-25.

d. Environment, Occupational Health & Safety

The company views occupational health and safety (OHS) as an integral part of its operations. Employee safety is taken as the most important operating metric. By establishing strong internal controls and governance mechanisms, the Company has been able to continuously enhance the safety and well-being of its workforce. A strong governance mechanism is in place to ensure action plans are being implemented and that the risk mitigation efforts are on track.

Similar importance is given to protection of the environment. Some of the notable initiatives in this area are as follows:

- Line-1 & 2 coal storage shed side walls closed with sheeting to decrease fugitive emissions.
- AFR Storage shed side walls closed with sheeting to decrease air emissions.
- New shed constructed for Line-2 packing plant to decrease fugitive emissions.
- All conveyor discharge areas covered with sheeting to decrease fugitive emissions.

e. Water Conservation

The Company is mindful of the water scarcity in the country and is tirelessly working towards achieving ‘water security’. Some of the notable initiatives in this area are as follows:

- Water harvesting in mined-out pits.
- Water harvesting initiatives in the nearby communities.

f. Quality control

The Company have an analytical laboratory for quality control at its manufacturing facility which is controlled by experienced team of professionals. Our laboratory is equipped with X-ray analyzer for monitoring of mineral composition of raw materials and the final product. Samples of the final products are also sent to independent quality analysts for inspection to enhance and standardize quality norms.

g. Awards and Recognition

The company has already achieved ISO Certification ISO 9001:2015 for Quality Management System Standard, ISO 14001:2015 for Environmental Management System Standard, ISO 45001:2018 for Occupational Health and Safety Management System Standard.

RISK MANAGEMENT

The Company has well defined structure which enable and empower management to identify, assess and leverage business opportunities and manage risk exposure in the organization effectively. As per Risk Management framework and procedures, management treat various category of risks and take appropriate actions for its mitigation. Company has a process for communication, consultation, monitoring and periodical review of the risks to ensure effective prevention and mitigation plan. A Risk Management Committee has also been constituted to oversee the risk management process.

The key risks identified by the Company as are follows:

Raw material risk:

The cement industry depends primarily on limestone and other raw materials. Our competitiveness, costs and profitability depend, in part, on our ability to source and maintain a stable and sufficient supply of raw materials (such as limestone, gypsum, fly ash, granulated slag, iron ore and laterite) at acceptable prices. The price of raw materials can be uncertain due to various factors beyond our control, such as climatic and environmental conditions, commodity price fluctuations, market demand, spread of infectious diseases, such as the COVID-19 pandemic, production and transportation cost, natural catastrophes, and changes in government policies including duties and taxes and trade restrictions. In addition, competition in the industry may result in increase in prices of raw materials, which we may not be able to match, thereby affecting our procurement.

Competition risk:

The Indian cement industry is highly competitive and is dominated by a few large pan-India cement manufacturers. In southern region of India, our major competitors include well-known locally established cement manufacturers. Competition occurs principally based on price, quality and brand name. As a result, to remain competitive in our markets, we continuously strive to reduce our costs of production, ensure consistent quality of cement comparable to the best in industry and maintain a brand of our own in the market.

Risk of change in Government policies:

The cement manufacturing companies are heavily reliant on demand from the cement - consuming industries such as infrastructure, housing and commercial real estate. Infrastructure sector drives overall development of the economy and is a major focus of the Government of India. Any pullback by the government on its initiatives will result in recession in the cement industry.

Power and fuel cost risk:

The cement industry is highly energy intensive and therefore require continuous supply of power and fuel. The production cost has seen an adverse impact due to the increased cost of power & fuel and freight. Any rise in international coal prices will adversely impact the operating costs of the Company. The Company focused on reducing the cost of power and fuel by maximizing the usages of the domestic coal and various alternative fuels, reducing our dependence on international coal.

Logistics Risk:

The Company currently use road transportation for despatches. With the rise in diesel prices, the cost of road transportation has increased. The cost increase and huge dependence on road transportation is having an adverse impact on our operational costs. Initiatives to improve efficiency by increasing despatches through bulk cement were some of the measures undertaken to achieve this.

Marketing Risk:

Due to increased demand for cement, intense competition is expected, which may adversely impact on the Company's market share, sales volume, and profitability. Our Sales and Marketing teams have gained a deep understanding and are very dynamic to customers' changing preferences and requirements, enabling us to maximise capacity utilisation through a better product mix and driving efficiency in the supply chain by reinvigorating the dealer network.

Information Technology Risk:

Our day to day operations depend on the information technology systems. All our operations function under an ERP system and we rely heavily on our information technology systems including for our manufacturing process which is significantly automated. We also use information technology systems for routine corporate activities such as processing of financial information, managing information pertaining to creditors/ debtors and engaging in normal business activities. We have a backup system in place which collects and maintain backup of the data every 24 hours to avoid any security breaches. Effective cyber security requires protecting both our hardware and software from misuse, interference, loss, unauthorized access, modification and disclosure and we as a concerned and proactive organization have taken all effective measures to design our control mechanism and ensure that we are cyber-secured.

Talent Management:

Human resources are most critical behind Raw Materials in deciding the Company's ability to deliver value to its various stakeholders. Attrition and the non-availability of the required talent resources can affect the overall performance of the Company. Our critical challenges include recruiting, training and retaining talent and ensuring the right people are in the right roles. We mitigate talent management risks by providing specialized training courses to enhance and reskill employees, thus creating a talent pipeline for future roles.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has got an adequate system of internal control in place commensurate with the size of its operation and is properly designed to protect and safeguard the assets of the Company. There is a proper system for recording all transactions which ensures that every transaction is properly authorized and executed according to norms.

The Company has also appointed M/s. M. Bhaskara Rao & Co., Chartered Accountants as Internal Auditors to conduct the Systems and Compliance Audit of the Company. The Internal Auditors are submitting reports to the Company on a Quarterly basis.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company holds its skilled and trained workforce in high esteem, recognizing them as indispensable for achieving organizational goal. During the year, the Company undertook a variety of training initiatives covering a wide spectrum of topics. These encompassed technical competencies crucial for operational excellence, programs aimed at fostering positive behavioral traits, workshops focusing on enhancing business acumen, as well as both general and advanced management principles. The main focus of all the training programmes were to upskill talent at all levels to provide them a ground for personal growth within the company. This would not only result in retention of talent but also optimizing of available resources.

Customer-centric training was prioritized to uphold service standards, while safety protocols were reinforced to ensure a secure work environment. The Company emphasized the importance of values and ethical conduct, instilling a sense of integrity and responsibility across all levels of the workforce. The Industrial relations during the year under review has been cordial and contributed to mutual development of the organization and employees. The Company employed 227 people as of 31st March, 2025.

	FY 2024-25	FY 2023-24
Number of days of accounts payables	69	55

9. Openness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY 2024-25	FY 2023-24
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	Nil	Nil
	b. Number of trading houses where purchases are made from	Nil	Nil
	c. Purchases from top 10 trading houses as % of total purchases from trading houses	Nil	Nil
Concentration of Sales	a. Sales to dealers / distributors as % of total sales	46%	41%
	b. Number of dealers / distributors to whom sales are made	552	539
	c. Sales to top 10 dealers / distributors as % of total sales to dealers / distributors	35%	29%
Share of RPTs in	a. Purchases (Purchases with related parties / Total Purchases)	32%	40%
	b. Sales (Sales to related parties / Total Sales)	1.55%	2.01%
	c. Loans & advances (Loans & advances given to related parties / Total loans & advances)	Nil	Nil
	d. Investments (Investments in related parties / Total Investments made)	Nil	Nil

Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

Total number of awareness programmes held	Topics / principles covered under the training	%age of value chain partners covered (by value of business done with such partners) under the awareness programmes
1	P3, P6, P7, and P9 of NGRBC	100%

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product / Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/ No)	Results communicated in public domain (Yes/ No) If yes, provide the web-link.
Not Applicable					

No specific Life Cycle Assessment has been conducted. Our products are fully and safely consumed by the customers. However, LCA will be planned and conducted in future.

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
Not Applicable		

LCA is planned for future. However, presently all required measures are being taken in production operations to minimize environmental and safety concerns, through proper systems, training of people, and regulatory compliance.

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 2024-25	FY 2023-24
Various Alternate Raw Materials and Fuels, Dusts and wastes collected from processes.	13.73%	10.62%

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

	FY 2024-25			FY 2023-24		
	Re-Used	Recycled	Safely Disposed	Re-Used	Recycled	Safely Disposed
Plastics (including packaging)	-	261.45	610.05	-	-	960
E-waste	-	-	-	-	-	-
Hazardous waste CPP Ash	-	-	-	-	-	-
Other waste	-	-	-	-	-	-

Cement is used as an intermediate material in construction activities, and the packing materials (bags) are mostly used for temporary storage of other construction materials by the end users before final disposal.

The above figures relating to packaging material are in conformity with our EPR registration and compliance.

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category.

Indicate product category	Reclaimed products and their packaging materials as % of total products sold in respective category
Not Applicable	

Our product cement is used in construction as concrete and for finishing, and cannot be reclaimed. Several Waste materials sourced from outside are used in our production processes.

The equivalent quantity (100%) of packing material is reclaimed as per the Extended Producer Responsibility obligations.

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/ No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually/ Half yearly/ Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Vendors/ Suppliers/ Contractors/ Sellers	No	1. Supplier meets 2. Vendor management and onboarding assessments 3. E-mails, Conference calls, Virtual meetings.	On need basis.	Vendor meets help to connect with the markets and follow the trend of the industry ; clear requirement from suppliers are conveyed through virtual meetings and emails.
Investors/ Funders/ Shareholders	No	1. E-mail and physical communications. 2. Annual reporting 3. Investor Relations website 4. Annual General Body Meetings 5. Stock Exchanges Communications	Quarterly, Annually and need based	Shareholder related communications.
Regulatory bodies/ Government/ Industry Associations	No	E-Mails, letters, Meetings, Filing of reports and Returns.	Periodic and need-based.	Compliance

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company believes in maintaining an ongoing dialogue with its key stakeholders i.e. investors, customers, suppliers, employees, etc., demonstrating its commitment to transparency and accountability. The Company’s Management regularly interacts with the above stakeholders through various platforms to ensure that stakeholder feedback - whether on economic, environmental, or social matters is thoughtfully considered and integrated into our decision making processes.

To strengthen and formalize this engagement, we have established dedicated committees focused on key areas of concern:

- The Corporate Social Responsibility (CSR) Committee is instrumental in framing the CSR policy with identified activities falling within the regulatory framework. The Committee consistently monitors / oversee the budget allocation. activities, and expenditures to ensure alignment with our broader commitment to social impact and community engagement.
- The Stakeholders’ Relationship Committee is entrusted with monitoring statutory compliances and ensuring the smooth execution of services related to dividend payments, security holder correspondences / requests, and the performance of our Registrar and Transfer Agents— enhancing trust, transparency, and service efficiency in our investor relations.

Furthering our commitment to shareholder engagement, we provide shareholders the opportunity to interact with the full Board during the Annual General Meeting (AGM). This forum enables meaningful dialogue and helps us stay responsive to the evolving needs, priorities, and expectations of our stakeholders.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Please refer to answer of question no. 5 above.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes. Statutory and regulatory requirement clauses stipulate regarding human values, child labour, equal remuneration and social security.

The code of business conduct forms part of the contract with suppliers and all third parties with whom we conduct business. It covers human rights protection as well.

10. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	100% assessed internally and by Labour Department.
Forced/involuntary labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	Nil

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

No risk/concern arose and there was no necessity for corrective action. The Company monitors the compliances on a quarterly basis and the same is also being reported to the Board in its meeting.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

The Company through its quarterly due diligence process, checks whether there are any human rights grievances / complaints. The Company has not received any complaint on human rights issues.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Training and awareness programmes, and robust legal & regulatory compliance monitoring at all levels through our Internal Audit system & Safety Audit on periodical basis, are part of the due diligence process.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	100%
Discrimination at workplace	
Child Labour	
Forced Labour/Involuntary Labour	
Wages	
Others – please specify	Nil

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

There was no necessity for corrective action as there was no risk/concern reported or arisen during the year 2024-25.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2024-25 (Giga Joules)	FY 2023-24 (Giga Joules)
From renewable sources		
Total electricity consumption (A)	-	-
Total fuel consumption (B)	-	-

Total energy consumed (A+B+C+D+E+F)	25,48,024	33,40,101
Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations)	0.00068 (GJ/₹)	0.00073 (GJ/₹)
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP) [^]	0.0141 (GJ/USD)	0.0166 (GJ/USD)
Energy intensity in terms of physical output	3.613 (GJ/MT)	3.923 (GJ/MT)
Energy intensity (optional) – the relevant metric may be selected by the entity	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

[^]The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published in April 2025 by IMF at 1 USD = ₹20.662

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Yes. The Company is covered under the PAT Scheme and the targets set have been achieved.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	30,091	22,200
(iii) Third party water	-	-
(iv) Seawater / desalinated water	-	-
(v) Others (RWH Pits)	-	19,411
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	30,091	41,611
Total volume of water consumption (in kilolitres)	30,091	41,611

Water intensity per rupee of turnover (Total water consumption / Revenue from operations)	0.00806 (Litres/₹)	0.00906 (Litres/₹)
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption / Revenue from operations adjusted for PPP)*	0.16649 (Litres/USD)	0.20723 (Litres/USD)
Water intensity in terms of physical output	42.668 (Litres/MT)	48.867 (Litres/MT)
Water intensity (optional) – the relevant metric may be selected by the entity	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published in April 2025 by IMF at 1 USD = ₹20.662

4. Provide the following details related to water discharged:

Parameter	FY 2024-25	FY 2023-24
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water		
No treatment	-	-
With treatment – please specify level of treatment	-	-
(ii) To Groundwater		
No treatment	-	-
With treatment – please specify level of treatment	-	-
(iii) To Seawater		
No treatment	-	-
With treatment – please specify level of treatment	-	-
(iv) Sent to third-parties		
No treatment	-	-
With treatment – please specify level of treatment	-	-
(v) Others		
No treatment	-	-
With treatment – please specify level of treatment Waste water is treated in STP and used for internal purposes including gardening, dust suppression, etc.	-	-
Total water discharged (in kilolitres)	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

In cement manufacturing process, no effluent is produced. The water that is used in the plant and township areas undergoes treatment and is then utilized for in-house requirements.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Our plant generates only domestic effluent which is treated in our Sewage Treatment Plant (STP). There is no process effluent and therefore there is no Effluent Treatment Plant (ETP). The STP output water is used for gardening and dust suppression.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2024-25	FY 2023-24
NOx	Tonnes/Year	581.29	649.70
SOx	Tonnes/Year	17.41	27.11
Particulate matter (PM)	Tonnes/Year	42.55	48.84
Persistent organic pollutants (POP)	NA	NA	NA
Volatile organic compounds (VOC)	NA	NA	NA
Hazardous air pollutants (HAP)	NA	NA	NA
Others – please specify	NA	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	MT of CO ₂ equivalent	5,32,215.00	6,98,987.00
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	MT of CO ₂ equivalent	9,699.01	2,560.27
Total Scope 1 and Scope 2 emissions per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)	Kg of CO ₂ equivalent per ₹	0.00015	0.00015
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)*	Kg of CO ₂ e equivalent per USD	0.0030	0.0035
Total Scope 1 and Scope 2 emission intensity in terms of physical output	Kg of CO ₂ equivalent /MT of Product	0.7684	0.8239
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published in April 2025 by IMF at 1 USD = ₹20.662

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Yes, in order to reduce Green House Gas emissions, we have implemented several measures such as alternative fuels, lower clinker factor, blended cement production, energy efficiency efforts, and many more. Use of renewable energy is being explored.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2024-25	FY 2023-24
Total Waste generated (in metric tonnes)		
Plastic waste (A)	0.875	1.057
E-waste (B)	0.084	-
Bio-medical waste (C)	-	-
Construction and demolition waste (D)	-	-
Battery waste (E)	-	-
Radioactive waste (F)	-	-
Other Hazardous waste. Please specify, if any. (G) (Used Oil)	12.565	10.702
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	-	-
Total (A+B + C + D + E + F + G+ H)	13.524	11.759
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)	0.0000036 (Kg/₹)	0.0000026 (Kg/₹)
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)*	0.00007483 (Kg/USD)	0.00005856 (Kg/USD)

Waste intensity in terms of physical output	0.01918 (Kg/MT)	0.01381 (Kg/MT)
Waste intensity (optional) – the relevant metric may be selected by the entity	-	-
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	13.524	11.759
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	13.524	11.759
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	-	-
(ii) Landfilling	-	-
(iii) Other disposal operations	-	-
Total	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published in April 2025 by IMF at 1 USD = ₹20.662

10. **Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.**

Co-Processing of Hazardous waste is done in Cement Kiln as per Central Pollution Control Board guidelines. Dust emission, i.e., the particulate matter emitted from processes is collected in the air pollution control equipment and re-utilized in the respective product section.

The STP sludge is used as manure in greenbelt activities. Organic wastes are segregated and composted in the vermicomposting yard, and the compost is utilized within the Plant.

Other wastes like wood, paper and plastics are utilized as alternate fuel in the kiln.

Different identified waste bins are provided to segregate the wastes at the source itself and stored in designated places provided in the scrap yard and proper accounting is being done before disposal to authorized vendors. Sufficient awareness, visual aids, PPEs are provided to those who handle the wastes. Daily accounting and monthly reporting are being done.

11. **If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:**

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N). If no, the reasons thereof and corrective action taken, if any.
Not Applicable. None of our operations are in ecologically sensitive areas.			

12. **Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable					

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes, the Company complies with the applicable environmental laws / regulations / guidelines and there is a robust mechanism to monitor and report its compliances. The company is also certified under ISO 14001. There was no non-compliance.				

Leadership Indicators

1. **Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):**

Not Applicable. Our manufacturing location is not in water stressed location and hence this section is not applicable.

For each facility / plant located in areas of water stress, provide the following information:

- (i) Name of the area: Nil
(ii) Nature of operations: Nil
(iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	-	-
(iii) Third party water	-	-
(iv) Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres)	-	-
Total volume of water consumption (in kilolitres)	-	-
Water intensity per rupee of turnover (Water consumed / turnover)	-	-
Water intensity (optional) – the relevant metric may be selected by the entity	-	-
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(ii) Into Groundwater		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iii) Into Seawater		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iv) Sent to third-parties		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(v) Others		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
Total water discharged (in kilolitres)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

2. **Please provide details of total Scope 3 emissions & its intensity, in the following format:**

Scope 3 emissions are indirect GHG emissions that occur outside the organization, including both upstream and downstream emissions. We will be monitoring and reporting the Scope 3 emissions going forward.

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	-	-
Total Scope 3 emissions per rupee of turnover		-	-
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

3. **With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.**

Not Applicable

4. **If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:**

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1.	Process modifications and Material optimization	Use of alternative materials, e.g., external ETP sludge, boiler ash, which are basically wastes.	Cost reduction, resource conservation, waste management, and lower emissions.
2.	Energy Conservation	Process improvements, replacement of old equipment and systems with newer energy efficient equipment, e.g., VFD, lighting systems.	Cost reduction, energy conservation, and lower emissions.
3.	Water Conservation	Installation of air cooled systems, operating STP.	Cost reduction, and water conservation.

5. **Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.**

Yes, the company has a Business Continuity Plan and disaster management plan.

Detailed plan is in place to ensure uninterrupted operations during and after disruptive events such as natural disasters, technical failures, or political unrest. The plan outlines clear procedures for responding to emergencies, minimizing downtime, and safeguarding resources.

Our Manufacturing unit has emergency preparedness and business continuity plan to handle any disaster. The plans are designed to contain the incident, minimize casualties and prevent further injuries, mitigation measures, quick and streamlined relief and rescue operation, speed up restoration of normalcy and ensure each member of the emergency operation including response team and employees are aware of their role in emergency. It is critical also to ensure the Plant can manage these risks well.

This is achieved by: developing a comprehensive emergency plan to handle various identified and potential emergencies, implementing the plan and training the people, improving response through regular conduct of mock drills, and monitoring implementation by inspecting and auditing controls to ensure that the system is working as planned.

With regard to Business continuity, we have adequate mines reserve to sustain the business. Our manufacturing unit is having Factory and other licences to operate the Plant, and these are being renewed on time.

6. **Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.**

Value chain partners have not been assessed for environmental impacts. This process will be initiated in the coming years. The Company ensures that there are no adverse impacts to the environment arising from its value chain.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

Value chain partners have not been assessed for environmental impacts. This process will be initiated in the coming years.

8. How many Green Credits have been generated or procured:

- a. By the listed entity: Nil
- b. By the top ten (in terms of value of purchase and sales, respectively) value chain partners: Nil

PRINCIPLE 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

- 1. a. Number of affiliations with trade and industry chambers/ associations: 3 Nos
- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/ National)
1	Bureau of Energy Efficiency (BEE)	National
2	Confederation of Indian Industries (CII)	National
3	National Council for Cement and Building Materials (NCCBM)	National

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

Name of authority	Brief of the case	Corrective action taken
Nil	Not Applicable	Not Applicable

Leadership Indicators

1. Details of public policy positions advocated by the entity:

S. No.	Public policy advocated	Method restored for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually/ Half yearly/ Quarterly/Others)	Web Link, if available
Nil					

PRINCIPLE 8 Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
Not Applicable					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S. No	Name of Project for which R & R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R & R	Amounts paid to PAFs in the FY (In INR)
Not Applicable						

3. Describe the mechanisms to receive and redress grievances of the community.

The Plant has a designated CSR team to interact with the community at large and address any grievances by planning projects towards addressing the needs of the community. The team has a good rapport with all stakeholders such as the community, district administration, and political parties and work towards finding a feasible and satisfactory solution.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2024-25	FY 2023-24
Directly sourced from MSMEs/ small producers	21%	21%
Sourced directly from within India	100%	100%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost:

Location	FY 2024-25	FY 2023-24
Rural	76%	73%
Semi-urban	6%	5%
Urban	0%	0%
Metropolitan	18%	22%

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
None	Not Applicable

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	District	Amount spent (In INR)
1	None	None	Not Applicable

The Company has undertaken its CSR activities in Suryapet District of Telangana and has spent an amount of ₹21,54,576 under various activities. The CSR activities are not undertaken in aspirational districts.

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? (Yes/No)

No, contracts are awarded on merit and not on preference.

(b) From which marginalized /vulnerable groups do you procure?

Not applicable

(c) What percentage of total procurement (by value) does it constitute?

Not applicable

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned /Acquired (Yes/No)	Benefit shared (Yes/No)	Basis of calculating benefit share
Not Applicable				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of the Authority	Brief of the Case	Corrective action taken
Not Applicable		

6. Details of beneficiaries of CSR Projects:

S. No.	CSR Project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized groups
1	Promoting Education	1150	The beneficiaries fall under the regional area where the company has its establishments / foothold and it caters facilities to various sects of people
2	Rural Development Projects	31800	
3	Health Care, Hygiene & Sanitation	600	

PRINCIPLE 9 Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

All communications with customers are done by Marketing personnel. In case of customer complaint this is informed to the Plant by marketing dept. The customer communications /requirements at plant is the responsibility of QUAS department which evaluates the complaint and takes necessary actions and informs the customer through marketing department. Feedback is also collected from dealers and customers.

The Company has a well-structured response mechanism for handling customer complaints, starting from formal receipt of the complaint, attending the complaint within a stipulated time frame of about 2 days, identifying the root cause of the problem, validation through internal checks, communicating with customer the solution and closing the complaint. Further, there is also an escalation mechanism.

Trend and cause analysis of complaints are carried out. Corrective and preventive actions are identified and implemented.

There is a documented procedure to handle customer complaints and resolve them, which is a part of the IMS system, audited periodically by the IMS auditors for the purpose of maintaining the certification. This is also an important metric and forms a part of monthly internal reviews by the Plant management.

Independent Auditor's Report

To the Members of Anjani Portland Cement Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Anjani Portland Cement Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters in our audit of the Company for the year ended 31st March 2025.

Information Other than the Financial Statements and Auditor's Report Thereon (Other Information)

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the annual report but does not include the financial statements, and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

41st Annual Report 2024 - 25

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The audited financial Statements for the year ended 31st March, 2024, are based on the previously issued financial statements of the Company audited by the predecessor auditor, whose audit reports dated 27th May, 2024 expressed an unmodified opinion on those financial results.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The modification relating to the maintenance of accounts and other matters connected there with are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (g) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A".
 - (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid or provided by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer note 36);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there are any material foreseeable losses;
 - iii. There is no delay in transferring the amount, which is required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that, (Note-42 of the financial statement) to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that (Note-42 of the financial statement) to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in Note 33(b) to the standalone financial statements, the company has not declared or paid any dividend during the year.
 - vi. Based on our examination, which included test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes in the accounting software used for maintaining the books of account.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

The company has maintained and preserved the audit trail (edit log) as per the statutory requirement for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020, ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in "Annexure- B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of **Anjani Portland Cement Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statement

Because of the inherent limitations of internal financial controls with reference to financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statement

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

- ii. (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage, frequency and procedure of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% or more in the aggregate for each class of inventory.
- (b) The Company has availed working capital facility from banks against security of current assets. of the Company and submission of quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- iii. During the year, the Company has not made investments, not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence reporting under clause 3(iii) of the order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has made investments which are in compliance with Section 186 of the Act. The Company has not granted loans, not provided guarantees and securities.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. We have broadly reviewed the cost records maintained by the Company as prescribed under subsection (1) of section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
 - a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees’ State Insurance, Income Tax, duty of Custom, Cess and other material statutory dues applicable to it with the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees’ State Insurance, Income Tax, duty of Custom, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us and records of the Company examined by us, the particulars of income tax, value added tax, customs duty as at 31st March, 2025 which have not been deposited on account of any dispute pending, are as under:

Name of the Statute	Nature of dues	Forum where Dispute is pending	Period to which the amount relates	Amount (In Lakhs)

Customs Act, 1962	Customs Duty	CESTAT, Bangalore	July, October & November 2012	97
Customs Act, 1962	Customs Duty	Commissioner of Customs (Appeals), Visakhapatnam	November 2013 & January 2014	24
Customs Act, 1962	Customs Duty	Commissioner of Customs (Appeals), Visakhapatnam	March 2012	9
Goods and Services Tax Act, 2017	Goods and Services Tax	Commissioner (Appeals)-I, Hyderabad	2018-19	43

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- ix. a) The Company has not defaulted in repayment of loans or other borrowings and in the payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiary.
- x. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. a) In our opinion and based on our examination and enquiries with the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. a) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- b) We have considered, the internal audit reports of the company issued till date, for the year under audit.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
- b) The Company is not engaged in any non-banking financial housing finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) of the Order is not applicable to the Company.
- c) The Company is not a core investment company as defined in the Regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses of Rs.3073 lakhs during the financial year covered by our audit and incurred cash losses of Rs.181 lakhs in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion, the provisions of section 135 of the Act are not applicable to the Company and hence reporting under clause 3(xx) of the Order is not applicable.

Notes to Accounts

Note 1. Material Accounting Policies And Other Information

A. Company Information:

Anjani Portland Cement Limited ('the Company') is a public limited company incorporated and domiciled in India whose shares are publicly traded. The registered office is located at #6-3-553, Unit No. E3 & E4, 4th Floor, Qvena Square Off: Taj Deccan Road, Erramanzil, Hyderabad, Telangana - 500082, India.

The Company manufactures high quality premium cement. The Company has manufacturing plant located at Chintalapalem, Suryapeta District, Telangana. The equity shares of the Company are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE), in India.

B. Material Accounting Policies:

This note provides a list of the material accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

i. Basis of Preparation and Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, notified under section 133 of the Companies Act, 2013, ("Act") and other relevant provisions of the Act.

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared under the historical cost convention on accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policies given below) which have been measured at fair value.

The financial statements are approved for issue by the Company's Board of Directors on 23rd May, 2025.

ii. Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

iii. Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, rebates and trade discounts.

Sale of products:

Timing of recognition – Revenue from sale of products is recognized when control of the products is transferred to customers based on terms of sale.

Measurement of Revenue: Revenue from sales is based on the price specified in the sales contract, net of all discounts and returns in relation to sales made until end of the reporting period.

iv. Property, Plant and Equipment

Freehold Land is stated at historical cost. All other property plant and equipment are stated at cost of acquisition less accumulated depreciation / amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overhead expenditure incurred upto the date the asset is ready for its intended use. However, cost excludes input credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

v. Depreciation

i) Depreciation of Property, plant and Equipment is provided on straight line method of depreciation based on the useful lives estimated by the Company from the technical evaluation carried out. The useful lives so determined are equal to those prescribed under the Part C of Schedule II of the Companies Act, 2013.

- ii) The assets' residual values are measured at not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.
- iii) On tangible property, plant and equipment added / disposed-off during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.
- iv) Gains and losses on disposal of assets are determined by comparing the sale proceeds with the carrying amount. These are included in profit or loss within other income.

vi. Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount.

vii. Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, (including any non-cash assets transferred or liabilities assumed), is recognised in profit or loss as other gain/(loss).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

viii. Inventories

Inventories are valued at the lower of cost and net realisable value.

- i) Cost of raw materials and components, packing materials, stores and spares, work-in-process and finished goods are ascertained on a weighted average basis.
- ii) Cost of finished goods and work-in-process comprises of direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts.
- iii) Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
- iv) Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.
- v) Slow and non-moving material, obsolesces, defective inventories are duly provided for.

ix. Employee benefits

i) Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii) Other long term employee benefit:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii) Post-employment obligation:

The Company operates the following post-employment schemes:

- a) Defined benefit plans such as gratuity for its eligible employees; and
- b) Defined contribution plans such as provident fund.
- a) Gratuity obligation:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

b) Provident fund

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

iv) Bonus plans:

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where statutory liability exists, contractually obliged or where there is a past practice that has created a constructive obligation.

x. **Financial instruments:**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

(i) **Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) **Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) **Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

- (iv) The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and unsecured loans are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

xi. **Income tax**

Tax expense comprises of current and deferred taxes.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Where the Company is entitled to claim special tax deductions for investments in qualifying assets or in relation to qualifying expenditure (the Research and Development or other investment allowances), the Company accounts for such allowances as tax credits, which means that the allowance reduce income tax payable and current tax expense. A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

xii. Provisions and contingent liabilities

i) Provision:

A provision is recorded when the Company has a present or constructive obligation as a result of present obligation, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

ii) Contingent liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

xiii. Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the conditions attached to it.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented under other income.

Grants related to income are recognised in statement of profit or loss by deducting it from the related expense.

xiv. Earnings Per Share

The basic earnings per share is computed by dividing the profit/(loss) for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit/(loss) for the year attributable to the equity shareholders and the weighted average number of the equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

xv. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

xvi. Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

xvii. Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

xviii. Trade payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

xix. Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

xx. Recent accounting announcements

There is no such notification applicable from April 1, 2025.

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Particulars	March 31, 2025	March 31, 2024
Discount rate	7%	7%
Salary growth rate	8%	8%

Assumptions regarding future mortality for pension and medical benefits are set based on actuarial advice in accordance with published statistics and experience. These assumptions translate into an average life expectancy in years for an employee retiring at age 58.

(v) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Key assumptions	Defined benefit obligation			
		Increase in assumption by		Decrease in assumption by	
		March 31, 2025	Rate	March 31, 2025	Rate
Discount rate	6.70%	1%	485	1%	602
Attrition rate	2.50%	1%	540	1%	539
Salary growth rate	8.00%	1%	585	1%	496

Particulars	Key assumptions	Defined benefit obligation			
		Increase in assumption by		Decrease in assumption by	
		March 31, 2024	Rate	March 31, 2024	Rate
Discount rate	7.20%	1%	486	1%	599
Attrition rate	2.50%	1%	540	1%	538
Salary growth rate	8.00%	1%	583	1%	496

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When

Notes to Accounts

All amounts in INR lakhs unless otherwise stated

calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

(vi) **The major categories of plan assets are as follows:**

The Company has plan assets by way of investment funds in Life Insurance Corporation of India (LIC) under the group gratuity scheme. The fair value of the plan assets

Particulars	March 31, 2025	March 31, 2024
	Unquoted	Unquoted
Investment funds (Investments in LIC)	540	547
Total	540	547

(vii) **Risk exposure**

Through its defined benefit plans, The company is exposed to a number of risks, the most significant of which are detailed below:

Investment risks:

The present value of the defined benefit plan obligation is calculated using a discount rate determined by reference to Government of India bond rate. If the return on plan asset is lower than this rate, then it will create a plan deficit.

Interest risks:

A decrease in bond rate will increase the plan liability although this will be partially offset by an increase in the value of the plans bond holdings.

Longevity risks (Life expectancy):

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary risks

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Notes to Accounts

All amounts in INR lakhs unless otherwise stated

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation processes

Fair value of financial assets and liabilities measured at amortised cost

Particulars	As at March 31, 2025		As at March 31, 2024	
	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets				
Security deposits/Other Financial Assets	346	346	414	414
Total financial assets	346	346	414	414
Financial Liabilities				
Borrowings	38,791	38,791	36,072	36,072
Lease Liability	11	11	24	24
Total financial liabilities	38,802	38,802	36,096	36,096

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable. Since there are no changes in the borrowing rate contracted with the bank, thus the fair value is equal to the amortised cost.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note - 32 : Financial risk management

The company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial liabilities not denominated in Indian rupee (INR)	Sensitivity analysis	Availability of committed credit lines and borrowing facilities
Market risk - interest rate	Long-term and Short-term borrowings at variable interest rates.	Sensitivity analysis	Availability of committed credit lines and borrowing facilities

The company's risk management is carried out by the treasury team under policies approved by the board of directors. The treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

Credit risk arises from cash and cash equivalents, deposits with banks and credit exposures to customers including outstanding receivables with dealers and advances given to vendors.

(i) Credit risk management

Credit risk is managed on a wholistic basis. For banks and financial institutions, only high rated banks/institutions are accepted.

Notes to Accounts

All amounts in INR lakhs unless otherwise stated

For other financial assets, the Company assesses and manages credit risk based on external credit rating system. The finance department under the guidance of the board, assess the credit rating system. Credit rating is performed for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

VL 1 : High-quality assets, negligible credit risk

VL 2 : Quality assets, low credit risk

VL 3 : Standard assets, moderate credit risk

VL 4 : Substandard assets, relatively high credit risk

VL 5 : Low quality assets, very high credit risk

VL 6 : Doubtful assets, credit-impaired

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk The company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information. Especially the following indicators are included -

- Internal credit rating assessment
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- Macroeconomic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments within 60 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Internal rating	Category	Description of Category	Basis of recognition of expected credit loss provision	
			Loans and security deposits	Trade receivables
VL 1	High-quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where risk of default is negligible or nil	12-month expected credit losses	Life-time expected credit losses (simplified approach)
VL 2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past		
VL 3	Standard assets, moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong		
VL 4	Substandard assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 30 days past due	Life-time expected credit losses	
VL 5	Low quality assets, very high credit risk	Assets where there is a high probability of default. In general, assets where contractual payments are more than 60 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 60 days past due

Internal rating	Category	Description of Category	Basis of recognition of expected credit loss provision	
			Loans and security deposits	Trade receivables
VL 6	Doubtful assets, credit-impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 120 days past due. Where loans or receivables have been written off, the group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Assets being written off

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. The funding sources of the Company include short-term working capital loans from banks.

(i) Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	As at March 31, 2025	As at March 31, 2024
Floating rate		
- Expiring within one year (bank overdraft)	154	2,373
- Expiring beyond one year (bank loans)	-	-

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice.

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for non-derivative liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Market risk

(i) Foreign currency risk

The Company is not exposed to foreign exchange risk arising from foreign currency transactions during the year. Foreign exchange risk arises from recognised liabilities denominated in a currency that is not the Company's functional currency (INR).

a) Foreign currency exposure

The Company's exposure to foreign currency risk at the end of the current and previous reporting period is Nil.

(ii) Interest rate risk

The Company's main interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow interest rate risk.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company has not taken any interest rate swaps to convert the floating rate borrowings to fixed rate loans. The Company monitors the movement in the interest rates and uses the prepayment option to repay the borrowings at the time when the interest rates are unfavorable. The assessment of viability of using the pre-payment option shall be evaluated by the finance team.

a) Interest rate risk exposure

The exposure of the group's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Variable rate borrowings	2,846	627
Fixed rate borrowings	35,945	35,445
Total	38,791	36,072

b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Note - 33 : Capital management

(a) Risk management

For the purpose of capital management, capital includes issued equity capital attributable to the holding company.

The company's objectives when managing capital are to;

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and

- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, The company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, The company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet).

Particulars	As at March 31, 2025	As at March 31, 2024
Net debt	38,791	36,093

Independent Auditor's Report

To the Members of Anjani Portland Cement Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Anjani Portland Cement Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (the Holding Company and its subsidiary company together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2025, of its consolidated Loss (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significant in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Evaluation of uncertain tax positions</p> <p>The Group has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Refer Notes 37 to the Consolidated Financial Statements.</p>	<p>Principal Audit Procedures</p> <p>The audit procedures included but were not limited to:</p> <ul style="list-style-type: none"> - Obtaining a detailed understanding processes and controls of the Management with respect to claims or disputes - Performing following procedures on samples selected: - Understanding the matters by reading the correspondences, communications, minutes of the management meeting - Making corroborative inquiries with appropriate level of the management personnel including status update, expectation of outcomes with the basis, and the future course of action contemplated by the unit, and perusing legal opinions, if any, obtained by the Management. - Discussing the status of the cases with the legal team regarding the progress and probability assessment of the outcomes. - Evaluating the evidence supporting the judgement of the management about possible outcomes and the reasonableness of the estimates. - Evaluating appropriateness of adequate disclosures in accordance with the applicable Indian accounting standards.

Other Information

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statements and auditor's report thereon. The Other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Boards of Directors of the companies included in the Group are responsible for assessing the ability of the group and respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditor. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the holding company and other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements/financial information of subsidiary company whose financial statements reflect total assets of Rs.22,581.00 Lakhs as at 31st March, 2025, total revenue of Rs.14,237.00 lakhs, total net profit/(loss) of Rs. (3,715.00) lakhs for the year ended 31st March 2025 and net cash inflow of Rs. (39.00) lakhs for the year ended 31st March, 2025, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by other auditor whose report have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary company and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the subsidiary company is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements of subsidiary company as audited by other auditor, as noted in the "Other Matter" paragraph, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and report of the subsidiary company auditor except for the matter stated in paragraph 1(i)(vi) below on reporting under Rule (11)(g) of the Companies (Audit and Auditors) Rules, 2014
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary Company as on 31st March, 2025 taken on record by the respective Board of Directors of the Holding Company and subsidiary Company, none of the directors of group companies is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule (11)(g) of the Companies (Audit and Auditors) Rules 2014
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statement of the Holding Company and its subsidiary company, which is incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (h) In our opinion and based on the consideration of report of other statutory auditor of the subsidiary company, the managerial remuneration paid by the Holding Company and its subsidiary company, which is incorporated in India to its directors during the year is in accordance with the provisions of section 197 of the Act
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statement as also the other financial information of the subsidiary company as noted in 'Other matter' paragraph
 - i. The Group has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer note 37);
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
 - iv. (a) The respective Management of the Holding Company and its subsidiary company which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its subsidiary company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note-43)

- (b) The respective Management of the Holding Company and its subsidiary company which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or its subsidiary company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note-43)
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 34(b) to the consolidated financial statements
The Board of Directors of the Holding Company and Subsidiary Company have not proposed dividend for the year.
- vi. Based on our examination, which included test checks, and that performed by subsidiary company's auditor whose financial statements have been audited under the Act, except for the instances mentioned below, the holding company and subsidiary company have used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software and the audit trail (edit log) feature has not been tampered with.
- The feature of recording audit trail (edit log) facility was not enabled at the database level in the holding company and the subsidiary company to log any direct data changes in the accounting software used for maintaining the books of account.
- The holding company and subsidiary company have maintained and preserved the audit trail (edit log) as per the statutory requirement for record retention.
2. As Required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure -B" a statement on the matters specified in paragraph 3(xxi) of the Order.

(Referred to in paragraph 1(g) under 'Report on Other Legal Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to Consolidated Financial Statements of **Anjani Portland Cement Limited** ("the Holding Company") its subsidiary company as of 31 March 2025 in conjunction with our audit of the consolidated financial statements of the Holding Company and its subsidiary company for the year ended on that date.

In our opinion and based on the consideration of report of the subsidiary company, the Holding Company and its subsidiary company has, in all material respects, an adequate internal financial controls system with reference to these Consolidated Financial Statements and such internal financial controls with reference to these Consolidated Financial Statements reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Inherent Limitations of Internal Financial Controls with reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and audit evidence obtained by the other auditor in terms of their report referred to in the other matters paragraph above is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to these Consolidated Financial Statements

A Company's internal financial control with reference to these Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to these Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Other Matter

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements/financial information in so far as it relates to subsidiary company is based on the corresponding report of the auditor of subsidiary Company.

Notes to Accounts

Note - 1. Material Accounting Policies

a) Brief description of the Company

Anjani Portland Cement Limited ('the Company' or 'the Holding Company') is a public limited company incorporated and domiciled in India whose shares are publicly traded. The registered office is located at #6-3-553, Unit No. E3 & E4, 4th Floor, Quena Square Off: Taj Deccan Road, Erramanzil, Hyderabad, Telangana – 500082, India.

The Company manufactures high quality premium cement. The Company has manufacturing plant located at Chintalapalem, Suryapeta District, Telangana.

The Consolidated financial statements have been approved by the holding company's Board of Directors on 23rd May, 2025.

b) Basis of preparation of the consolidated financial statements

These consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared under the historical cost convention on accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policies given below) which have been measured at fair value.

c) Principles of Consolidation

The consolidated financial statements comprise the financial statements of the company and its subsidiary Bhavya Cements Private Limited, together referred as 'Group' as at 31st March, 2025.

d) Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

e) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, rebates and trade discounts.

Sale of products:

Timing of recognition – Revenue from sale of products is recognized when control of the products is transferred to customers based on terms of sale.

Measurement of Revenue: Revenue from sales is based on the price specified in the sales contract, net of all discounts and returns in relation to sales made until end of the reporting period.

Interest, Dividends and Other Income:

Dividend income is recognised when the right to receive payment has been established, it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the applicable effective interest rate.

f) Property, Plant and Equipment

Freehold Land is stated at historical cost. All other property plant and equipment are stated at cost of acquisition less accumulated depreciation / amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overhead expenditure incurred upto the date the asset is ready for its intended use. However, cost excludes input credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

g) Depreciation and amortization

i) Depreciation of Property, plant and Equipment is provided on straight line method of depreciation based on the useful lives estimated by the Company from the technical evaluation carried out. The useful lives so determined are equal to those prescribed under the Part C of Schedule II of the Companies Act, 2013.

ii) The assets' residual values are measured at not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

iii) On tangible property, plant and equipment added / disposed-off during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

- iv) Gains and losses on disposal of assets are determined by comparing the sale proceeds with the carrying amount. These are included in profit or loss within other income.
- h) **Impairment of assets**
Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount.
- i) **Transactions in foreign currencies**
- i) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction.
 - ii) Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.
 - iii) Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.
- j) **Inventories**
Inventories are valued at the lower of cost and net realisable value.
- i) Cost of raw materials and components, packing materials, stores and spares, work-in-process and finished goods are ascertained on a weighted average basis.
 - ii) Cost of finished goods and work-in-process comprises of direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts.
 - iii) Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
 - iv) Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.
 - v) Slow and non-moving material, obsolesces, defective inventories are duly provided for.

k) **Income tax**

Tax expense comprises of current and deferred taxes.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Where the Company is entitled to claim special tax deductions for investments in qualifying assets or in relation to qualifying expenditure (the Research and Development or other investment allowances), the Company accounts for such allowances as tax credits, which means that the allowance reduce income tax payable and current tax expense. A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

l) **Provisions and contingent liabilities**

i) **Provision:**

A provision is recorded when the Company has a present or constructive obligation as a result of present obligation, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value

is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

ii) **Contingent liabilities:**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

m) **Government Grants**

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the conditions attached to it.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented under other income.

Grants related to income are recognised in statement of profit or loss by deducting it from the related expense.

n) **Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

o) **Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

p) **Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

q) **Trade payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

r) **Current and Non-current classification**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realized or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading
- expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in the normal operating cycle
- it is held primarily for the purpose of trading
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

s) **Recent accounting announcements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

(i) Compensated absences

The compensated absences obligations cover the Company's liability for the earned leave. The provision is presented as current and non-current based on the actuarial report obtained by the Company. However, based on past experience the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months.

Particulars	As at March 31, 2025	As at March 31, 2024
Current compensated absences expected to be settled within the next 12 months	28	42

(ii) Post-employment obligations – gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days' salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contributions to the recognised funds in India.

(iii) Defined contribution plans

The Company also has certain defined contribution plans. Contributions are made to the provident fund in India for employees at the rate of 12% of basic salary as per regulations. The contributions are made to the registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligations. The expense recognised during the period towards defined contribution plan is INR 187 (March 31, 2024 - INR 207 lakhs).

(iv) **Post-Employment benefits**

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Particulars	March 31, 2025	March 31, 2024
Discount rate	6.70%	7.20%
Salary growth rate	8.00%	8.00%

Assumptions regarding future mortality for pension and medical benefits are set based on actuarial advice in accordance with published statistics and experience. These assumptions translate into an average life expectancy in years for an employee retiring at age 58.

(v) **Sensitivity analysis**

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Key assumptions	Defined benefit obligation			
		Increase in assumption by		Decrease in assumption by	
		March 31, 2025	Rate	March 31, 2025	Rate
Discount rate	6.70%	1%	485	1%	602
Attrition rate	2.50%	1%	540	1%	539
Salary growth rate	8.00%	1%	585	1%	496

Particulars	Key assumptions	Defined benefit obligation			
		Increase in assumption by		Decrease in assumption by	
		March 31, 2024	Rate	March 31, 2024	Rate
Discount rate	7.20%	1%	634	1%	784
Attrition rate	2.50%	1%	704	1%	703
Salary growth rate	8.00%	1%	764	1%	645

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

(vi) **The major categories of plan assets are as follows:**

The group has plan assets by way of investment funds in Life Insurance Corporation of India (LIC) under the group gratuity scheme. The fair value of the plan assets are as under.

Particulars	March 31, 2025	March 31, 2024
	Unquoted	Unquoted
Investment funds (Investments in LIC)	714	713
Total	714	713

Notes to Accounts

All amounts in INR Lakhs unless otherwise stated

(vii) Risk exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Investment risks:

The present value of the defined benefit plan obligation is calculated using a discount rate determined by reference to Government of India bond rate. If the return on plan asset is lower than this rate, then it will create a plan deficit.

Interest risks:

A decrease in bond rate will increase the plan liability although this will be partially offset by an increase in the value of the plans bond holdings.

Longevity risks (Life expectancy):

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary risks:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

Note -31: Impairment testing of goodwill

For impairment testing, goodwill acquired through the business combination has been allocated to the cements business. The total carrying amount of goodwill as at March 31, 2025 is Rs.23,922 lakhs. The Group performed the annual impairment test of goodwill as at March 31, 2025. The recoverable amount of the cements business was determined based on a value in use calculation using cash flow projections from financial budgets approved by senior management covering a five-year period. The discount rate applied to the cash flow projections for impairment testing during the current year is 13.00%. The growth rate used to extrapolate the cash flows of the unit beyond the five-year period is 6.0%. The impairment test did not identify any impairment in the carrying value of goodwill as at March 31, 2025.

Key assumptions used for value in use calculations:

The calculation of value in use is most sensitive to the following assumptions:

- Gross margins - these are based on the averages achieved in the earlier years. These are increased over the budget period for anticipated efficiency. An increase of 10% in the revenues and costs has been considered for the next 5 years based on the business plans of the Company.
- Discount rates - Discount rates represent the current market assessment of the risks specific to each CGU, taking into consideration the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Group and is derived from its weighted average cost of capital (WACC). The WACC takes into account both debt and equity.
- Growth rates used to extrapolate cash flows beyond the forecast period - These are based on published industry research and management's estimates.

The value in use computations are sensitive to variance in the above key assumptions. 1.0% movement in any one of the above key assumptions keeping the other assumptions constant is not resulting in any impairment of goodwill.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

Lease Liability	11	11	24	24
Total financial liabilities	46,304	46,304	42,673	42,673

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable. Since there are no changes in the borrowing rate contracted with the bank, thus the fair value is equal to the amortised cost.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note - 33: Financial risk management

The Group's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial liabilities not denominated in Indian rupee (INR)	Sensitivity analysis	Availability of committed credit lines and borrowing facilities
Market risk - interest rate	Long-term and Short-term borrowings at variable interest rates.	Sensitivity analysis	Availability of committed credit lines and borrowing facilities

The Group's risk management is carried out by the treasury team under policies approved by the board of directors of the respective companies. The treasury identifies, evaluates and hedges financial risks in close co-operation with the Group's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

Credit risk arises from cash and cash equivalents, deposits with banks and credit exposures to customers including outstanding receivables with dealers and advances given to vendors.

(i) Credit risk management

Credit risk is managed on a wholistic basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the Group assesses and manages credit risk based on external credit rating system. The finance department under the guidance of the board, assess the credit rating system. Credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

VL 1: High-quality assets, negligible credit risk

VL 2: Quality assets, low credit risk

VL 3: Standard assets, moderate credit risk

VL 4: Substandard assets, relatively high credit risk

VL 5: Low quality assets, very high credit risk

VL 6: Doubtful assets, credit-impaired

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk The company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information. Especially the following indicators are included –

- Internal credit rating assessment
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations.
- Macroeconomic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments within 60 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

(ii) Provision for expected credit losses

The Group provides for expected credit loss based on the following:

Internal rating	Category	Description of Category	Basis of recognition of expected credit loss provision	
			Loans and security deposits	Trade receivables
VL 1	High-quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where risk of default is negligible or nil.	12-month expected credit losses	Life-time expected credit losses (simplified approach)
VL 2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.		
VL 3	Standard assets, moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong.		
VL 4	Substandard assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 30 days past due.	Life-time expected credit losses	
VL 5	Low quality assets, very high credit risk	Assets where there is a high probability of default. In general, assets where contractual payments are more than 60 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 60 days past due.		
VL 6	Doubtful assets, credit-impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Group. The Group categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 120 days past due. Where loans or receivables have been written off, the group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.		Assets being written off

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. The funding sources of the Company include short-term working capital loans from banks.

(i) Financing arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	As at March 31, 2025	As at March 31, 2024
Floating rate		
- Expiring within one year (bank overdraft)	252	1,478
- Expiring beyond one year (bank loans)	-	-

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice.

(ii) Maturities of financial liabilities

The tables below analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for non-derivative liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

(i) Foreign currency risk

The Group is not exposed to foreign exchange risk arising from foreign currency transactions during the year. Foreign exchange risk arises from recognised liabilities denominated in a currency that is not the Company's functional currency (INR).

a) Foreign currency exposure

The Group's exposure to foreign currency risk at the end of the current and previous reporting period is Nil.

(ii) Interest rate risk

The Group's main interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow interest rate risk.

The Group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Group has not taken any interest rate swaps to convert the floating rate borrowings to fixed rate loans. The Group monitors the movement in the interest rates and uses the prepayment option to repay the borrowings at the time when the interest rates are unfavorable. The assessment of viability of using the pre-payment option shall be evaluated by the finance team.

a) Interest rate risk exposure

The exposure of the group's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Variable rate borrowings	4,048	1,904
Fixed rate borrowings	42,245	40,745

Note - 34: Capital management

(a) Risk management

For the purpose of capital management, capital includes issued equity capital attributable to the holding company.

The company's objectives when managing capital are to;

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, The company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet).

Particulars	As at March 31, 2025	As at March 31, 2024
Net debt	46,293	42,649
Total equity	21,603	29,714
Net debt to equity ratio	2.14	1.44

(i) Loan covenants

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2024 and Year Ended March 31, 2025.
